Quy:

In reference to the request for additional information dated October 15, 2014:

1. The year-to-date totals have been corrected.
2. The \$1,798.70 transfer from the nonfederal account to the federal account is now reflected on Schedule H3 supporting Line 18(a).
3. The \$42,028.63 in transfers from the nonfederal account for allocated activity have been returned and those transactions will be reflected on a future report.
4. I was unable to distinguish which expenses were allocated and represented by the \$42,028.63 in transfers. All expenses previously reported as allocable have been changed to Line 21(b) Other Federal Operating Expenditures.

All reports going forward were automatically amended and have been filed.

Thank you,
